

SHE FOUND HER PA

Viola Dalrymple Locates Her Long Lost Father

THROUGH THE HERALD'S STORY

Relating the Particulars of Her Strange Separation from Him—News of the Courts.

Several weeks ago Viola Dalrymple made enquiries of the police after her father, whom she had not seen for twelve years. Her case was mentioned in THE HERALD. She said that she was born in Vermontville, and that shortly afterwards her mother died. Within a year her father married again and she was adopted by a family named Fuller, living in Charlotte, Mich., who brought her up. Her father called to see her several times when she was young. Finally Mrs. Fuller forbade him the house and he went away. She never saw him afterwards. She is now 21 years old. Yesterday she reported to police headquarters that through THE HERALD she had found her father. His mother-in-law lives in this city. She sent the paper to her son-in-law, who now lives in Milan, and he wrote for his daughter to come to him immediately.

STICK TO THEIR COLOR.

Colored Clients Want Alexander Hamilton for Their Attorney.

On Emancipation Day, August 2, last, Sheriff McQueen arrested Levi Robinson and Silas White, colored, for creating a disturbance on a street car coming in from the lake. The charge against them was disorderly, and they were arrested without process. On being arraigned before Judge Westfall in police court, both were discharged. Their attorney, Alexander Hamilton, was instructed to bring suit for false imprisonment, and place the damages at \$2000 in each case. He hired Frank L. Carpenter as counsel to assist him, agreeing to give him \$25. He paid him \$17 on account. When Carpenter had drawn the declarations, it is claimed, he left Alexander Hamilton out in the cold. Alex. protested, but Carpenter said he wasn't in it. Then the clients, Robinson and Levi, petitioned Judge Adet to substitute Hamilton for Carpenter, saying they preferred to lose the case rather than have Carpenter conduct it for them. The petition for substitution was acted upon by Judge Adet, Monday.

INNIS HELD FOR TRIAL.

Three Silver Dollars Afford Damaging Proof of Guilt.

Alexander Innis was arraigned before United States Commissioner McQueen yesterday on a charge of having been implicated with J. W. Miller in obtaining money from the Adams Express company belonging to another. When Miller was arraigned he swore that he gave Innis \$3 for identifying him to the company. Innis denied the whole thing yesterday, but Mrs. Maissa Wild, with whom he had been living at No. 412 Ionia street, testified that he exhibited three silver dollars when he returned home on the night that Miller got the money from the express company. The circumstances surrounding the case and the evidence produced seemed so conclusive that Innis was connected with the matter that he was held to October term of court under \$200 bonds. He was committed to jail.

She Will Squel on Charlie.

Jessie Bryant, accused of stealing a diamond pin from C. H. Pelton while he was in one of the green rooms at Smith's opera house seeing his "brother-in-law," was in police court yesterday. There had been no complaint lodged against her, in consequence of which Judge Haggerty discharged the bail bond. In the afternoon complaint was made and Jessie will be rearrested. She says that the evidence which will be introduced to establish her innocence will not be enjoyed by Pelton.

Milkwagon Runaway.

M. T. McNamara's team ran away yesterday morning attached to his milk wagon. They became frightened at the street car on Lagrange street where they had been left by Mr. McNamara and rushed with considerable speed up Fulton street where they ran astride of a side track and were stopped. The front wheels of the wagon were broken and the vehicle was damaged about \$25. The team was not injured.

She Says He's a Daddy.

Edward Carter, colored, was arrested yesterday on complaint of Bertha Butler, colored, living at No. 8 Ellisworth avenue, who alleges that he is the father of her child, which was born December 27. Carter pleaded not guilty to a charge of bastardy. He will be examined March 23. He secured bail.

Patrick Owned Up.

Patrick Welch, who while under the influence of liquor and verging on an attack of the delirium tremens made rude remarks to little girls, was arraigned in police court yesterday. He pleaded guilty to being disorderly and was sentenced in the county jail for a period of thirty days.

Pleaded Not Guilty.

Arie Van Heiden and Simon Van Heiden, the youths who attempted to set a building on fire last week, were arraigned in police court yesterday on the charge of arson. Both pleaded not guilty and demanded an examination, which was set for March 21.

Thomas Took the Change.

Thomas Kennedy was arrested yesterday on complaint of George Fouts, a real estate man, for stealing a dollar.

The story of the theft is described by one who witnessed it. Fouts went into a saloon in the arcade and invited the gang to step up and take drink. Among the crowd was Kennedy. Fouts put up a dollar on the counter and Kennedy picked it up and made a sneak. Fouts followed him out and ordered him to return it, which he refused to do. Later he was arrested. Upon being arraigned in police court he pleaded not guilty. He was released on bail and the case was adjourned two weeks.

Court Notes.

In the circuit court yesterday Judge Groves rendered a decision in favor of Judith D. Thompson against the Neways manufacturing company for \$350.75 and costs. Judgment was given by default.

Louis Brooks, the Russian refugee who by mistake carried away a half cord of wood belonging to James Price, a neighbor, and was arraigned in the police court, was discharged by Judge Haggerty yesterday.

The Valley City Building and Loan association began suit in the circuit court yesterday to foreclose a mortgage held on property owned by Frank W. Curtis, the amount due on which is \$1000.

Judge Groves gave judgment to William Barnhardt against the Okawhio Boat club in the circuit court yesterday for \$712.25 and costs.

J. W. Tripp and Michael Duffy were fined \$5 each and costs in police court yesterday for committing a breach of the peace. Both paid up.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surface of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers, that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

Appeals to Your Intelligence. When all is said there is certainly a wonderful satisfaction when leaving a theatre to feel that you have seen something you can recall. With delight to have seen a story developed that has excited your interest, you have laughed uproariously at fun that happened naturally and which was not dragged in, in such a senseless fashion as to be an insult to your intelligence. Such a play is "She Couldn't Marry Three." The plot is wholesome; the fun unceasing; the songs new and catchy; the scenery superb; the climaxes thrilling, and the company headed by that pleasant little ray of sunlight, Miss Lillian Kennedy, one of the best on the road.

Fleischmann & Co.'s COMPRESSED YEAST!

TO OUR PATRONS—THE LADIES: Owing to the many worthless imitations of our Compressed Yeast, which are now, and have been for some time past, flooding the market, we have concluded to put our best quality of Yeast up in tin foil expressly for family use in a uniform size cake, under our yellow label and signature, warranting each cake, by buying it in this shape you will get our best Yeast to all its purity and strength; you will get them the same size cake each time, sufficient for a baking of from 4 to 5 pounds of flour, and you will avoid the uncertainty of inferior grades of yeast being panned off on you as our "Yeast." We find it absolutely necessary to adopt this method of putting our Yeast on the market, to protect ourselves and patrons from fraud and imposition. If you will ask your grocer for our Yeast in Tin Foil and examine the label, you will always avoid the loss and annoyance of poor bread. Respectfully yours, FLEISCHMANN & CO., Original manufacturers and Introducers of COMPRESSED YEAST into the United States.
